AESTHETIC CONSISTENCY

How to arrange a functional and cosy kitchen connected with the dining room? For the perfect effect, opt for a uniform furniture colour scheme and a natural colour palette in the interior. The best choice will be the extremely fashionable kitchen furniture in a shade of broken white. In addition to the white finish, beige, grey and light wood-coloured elements will also work well in the kitchen.

EDAN FRONTS AVAILABLE IN 4 COLOUR VERSIONS

IN MATT FINISH

Beautiful and practical – these are the distinguishing features of matt kitchen cabinet fronts. The combination of the ever elegant black with warm wood decor creates the most fashionable composition of this season. The light shade of wood is perfectly balanced by the black. The gold-coloured handles are an additional accent, giving the furniture a touch of elegance and sophistication.

THE ESSENCE OF CLASSIC DESIGN

White and black are undoubtedly a perfect duo, which brings a touch of sophistication and elegance to the interior. The straight decorative millings add harmony and chic to the fronts. The entire set is complemented by classic styled handles.

CLASSIC BUT YOUNG IN SPIRIT

Simple furniture arrangement, where both function and decorative value are equally important. Decorative milled lines and delicate single-point handles add a touch of elegance to the fronts. This makes them the essence of classic kitchen design. Everything is overlooked by the display topped with a decorative moulding, showcasing your favourite tableware.
