## MODULAR KITCHENS

# FAMILY LINE

Modular kitchen furniture is the perfect solution for creating a functional and stylish kitchen with a minimal investment of time and money. It is a perfect solution for both large and small homes. The individual **kitchen units can be freely selected and arranged**, allowing the furniture to be adapted to the interior. The Family Line range of modular kitchens offers **various models of cabinet fronts, countertops, and handles**, which can be mixed and matched according to personal preference, creating a kitchen perfectly tailored to your needs. In addition, **functional accessories** make everyday use of the furniture even more comfortable. Explore our completed projects and discover inspiration for your dream kitchen!

# SILE

Sile kitchens combine elegance and functionality with a modern touch. The kitchen fronts, available in two exceptional colour options – matt anthracite and timeless white – are coated with an innovative finish that makes them highly resistant to dirt and easy to maintain on a daily basis. The collection is complemented by handles in the same colour as the fronts, designed specifically for the Sile line, which perfectly blends with the overall design and highlights its unique character.

Front colours:

# SOLE

Sole kitchens are the essence of modern elegance. Varnished fronts in a white gloss finish harmoniously blend with warm wood décor, creating a cohesive and stylish composition. The look is completed by fashionable slats, popular in recent seasons. An integrated handle in the colour of the front and subtle details lend the interior a distinctive character.

Front colours:

new arlington oak

## HANDLES

# EQUIPMENT

Discover **the practical advantages of the Family Line kitchen system**, designed to make everyday cooking and keeping your kitchen tidy much easier. Our offer includes various cabinet modules and matching **accessories to optimise your work in the kitchen**. With functional solutions and stylish details, your kitchen will become more comfortable and enjoyable to use. See how small changes can make a big difference!

# STORAGE

Our storage systems provide convenient access to every item and maximise the use of available space. They make your kitchen more ergonomic, making daily cooking more pleasant and efficient. Discover solutions tailored to your needs!

# WASTE SEGREGATION BINS

The waste segregation system is a practical and ergonomic solution that improves the everyday functioning of your kitchen. With well-designed containers, keeping things tidy becomes simple and convenient.

# FLOWBOX DRAWERS

FlowBox drawers combine functionality and high-end design. Thanks to the soft-closing feature and push-to-open mechanism, they offer exceptional user comfort. Their flat, slim design maximises internal space, allowing for its optimal use.

# APPLIANCE HOUSING CABINETS

Our offer includes solutions that allow household appliances to be seamlessly integrated into the furniture, ensuring a cohesive look and maximum user comfort. Discover systems that make your kitchen even more ergonomic and stylish.

# LIGHTING

Functional and energy-efficient lighting is not only a practical addition but also an element that creates the atmosphere of the interior, enhances the character of the kitchen, and improves user comfort. Lighting installed underneath the cabinets effectively illuminates the countertop, making everyday tasks easier.

# OPTIONAL EQUIPMENT

Well-thought-out details in the kitchen allow for optimal use of space and emphasise the interior's style. Practical equipment, such as easy-opening systems, a countertop socket with a USB charger, rails, or additional shelves, enhances comfort and functionality in the kitchen. Discover solutions that combine aesthetics with user convenience.

## ECONOMY KITCHENS

# JUNONA LINE

A line of kitchen furniture for every budget. **Economical sets** have been designed to **make the most of your kitchen space**, regardless of its size.

**Thanks to their modular construction**, the furniture is suitable for both small kitchenettes and spacious interiors. **The possibility of expansion** allows the layout of the cabinets to be tailored to individual needs, ensuring convenience and functionality for everyday use. **The universal colour scheme** makes Junona Line furniture a perfect fit for any interior, regardless of the design style.

Discover solutions that will make your kitchen not only aesthetically pleasing but also fully practical.

**JUNONA LINE** front: chalk gloss, countertop: craft gold oak

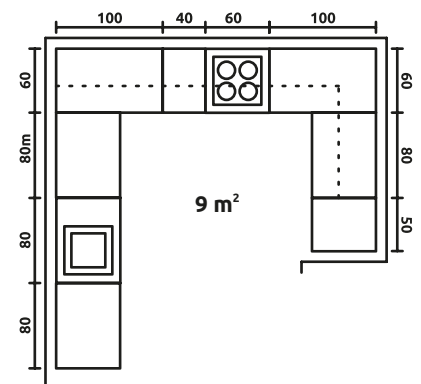

A spacious and bright kitchen that combines functionality with modern design. The U-shaped layout is the perfect solution for those who value both aesthetics and convenience. The optimal arrangement of cabinets makes the most of the available space, providing a comfortable area for cooking and storage.

Front colour:

chalk gloss

FROM THE LEFT

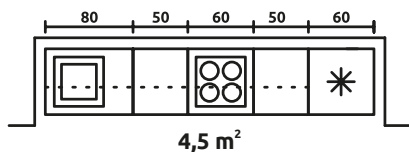

**base cabinets:** D2D/80/82, DK2D/80/82, D2D/80/82, DNW/100/82-L, D3S/40/82, DPK/60/82, DNW/100/82-P, D2D/80/82, D2D/50/195-P

## ECONOMY KITCHENS

# SARA LINE

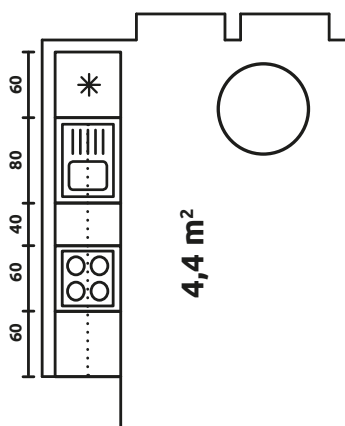

Compact kitchen sets **at attractive prices** are the ideal choice for those who value **simplicity, aesthetics, and space-saving solutions**. Thanks to their well-thought-out design, Sara Line sets make the most of the available space, providing convenience and functionality. The **universal white** fronts add a fresh and airy feel to the kitchen, while ensuring easy integration with any interior style. The sets are **available in two widths – 180 cm and 240 cm.**

A small kitchen set with a width of 240 cm, consisting of 7 modules, is perfect for compact flats. Elegant white fronts combined with black handles, worktops, and household appliances create a striking composition that brings character to the interior.
